Dear Student,

We have reviewed your application for financial aid for the 2004-2005 academic year. According to the information obtained from the Free Application for Federal Student Aid (FAFSA), you are eligible for a Federal Subsidized/Unsubsidized Stafford Loan. So that we may begin processing your loan, please read the information provided in this document carefully.

Enclosed is a list of lenders who provide quality service in the student loan market. The lenders we have listed have made a commitment to offer reliable service to their borrowers from the origination of the loan through repayment. Since the U.S. Department of Education regulates all aspects of the loan program, including the origination fees, interest rates, and repayment terms, please select a lender from the enclosed list and return this form to the Office of Financial Aid. Once a lender is chosen, your lender will send you instructions on how to complete an electronic Master Promissory Note (eMPN). This will need to be completed and on file with your lender before loan funds can be disbursed.

In addition, new loan borrowers must also complete an Entrance Interview. This can be done online at: http://mapping-your-future.org/entrancecounseling.

SUNY Geneseo participates in the Electronic Funds Transfer (EFT) process. All monies disbursed from your loan(s) will be sent electronically to the College, thus there are no paper checks. The EFT process allows the Office of Student Accounts to credit your college bill and process any refunds in a timely manner.

If you are a transfer student and have borrowed under the Federal Stafford Loan Program, you must keep the same lender. However, if you borrowed under the William D. Ford Direct Loan Program, please choose a lender from the enclosed list.

Sincerely,

Susan Romano
Assistant Director of Financial Aid
